EASTERN CHARLOTTE CHAMBER- WHO ARE WE?

Executive Director
Andrea Foster

Andrea Foster is a people leader, a strategic thinker who inspires and motivates with many business successes over her 35+ years in Distribution, Sales, Operations and team building both in Ontario and New Brunswick. For her first 10 years in business, she was honored to work along side her father running the family door-to-door distribution business until selling to Publi-Sac. At Publi-Sac, she became the first female GM at the age of 28. Growing her portfolio, she joined the daily newspapers in 1997 running the distribution for 7 daily newspapers, 2 national dailies and over a dozen weekly products. She introduced the TMC product which has remained the newspapers strong revenue stream amid the ever-changing landscape of the dailies.

Andrea came from away in 2018 joining the Irving family as Director of Distribution for the province working at BNI. While at BNI, Andrea and her team introduced Amazon delivery to New Brunswick adding to, and growing existing distribution methods. She later added Director of Operation at Universal Truck & Trailer to her work experience and most recently Business consulting to businesses to provide and implement continuous improvement initiatives.

When not working, during the warmer months Andrea and her partner Joe Theriault enjoy fishing off the wharf in Blacks Harbour, Little Lepreau, and Seeleys cove. They also enjoy clam digging down Maces Bay and having bon fires on the beach. Anytime of the year, they will be seen enjoying delicious meals throughout Eastern Charlotte.
